MONTHLY REPORT - AUGUST 2024

01/08/2024 LISTENING ASSESSMENT:-

On 1st of August we had listening assessment program from STD 6th to 8th. The primary goal of the listening assessment is to evaluate the ability of individuals to understand, interpret, and respond to spoken information. This assessment measures comprehension skills, attention to detail, and the ability to process auditory information effectively. Listening assessments are crucial for evaluating auditory processing abilities. Regular practice and targeted training can improve listening skills, leading to better comprehension and overall communication effectiveness.

05/08/2024 ASSEMBLY:

On August 5th we had a common assembly. The assembly aimed to honor and recognize the zonal level winners in Carrom and karate, celebrating their achievements and encouraging continued excellence in sports. Master M. Abhishek won 1st place in zonal level Carrom. Master J. Rixon from 7th STD and Master A. Anish Esthak 7th STD and Master J. Nixon won 2nd and 3rd places in the Karate competition conducted by Tamilnadu karate foundation.

08/08/2024 GRAMMAR CAPSULE TEST CONDUCTED BY DFT:-

On 8th of August the Grammar Capsule Test, organized by the DFT, aimed to assess and enhance students' understanding and application of key grammar concepts. The test was administered to students from STD 3rd to 8, providing a broad assessment of grammar proficiency across different grade levels.

09/08/2024 TOPPERS AND BLOOMERS:-

On 9th of August we had toppers and bloomers meeting. The meeting aimed to recognize and discuss the achievements of academic toppers and blooming students, providing feedback and setting goals for continued success. The meeting successfully motivated and guided both toppers and bloomers. It provided a platform for celebrating achievements and addressing areas for further growth.

10/08/2024 PARENTS-TEACHERS MEETING:-

On August 10 we had Parents Teachers meeting in our School Auditorium. The Parents-Teachers Meeting aimed to discuss students' academic progress, address concerns, and strengthen the collaboration between parents and teachers to support student development. The meeting started with a prayer song and Mrs.P Priyadharshini welcomed everyone. The Principal opened the meeting with a summary of the school's achievements and outlined the agenda for the discussion. Rev. Fr. LourduSamy MMI presented a speech on parental care, and advised the parents not to pamper their children and not to take too many holidays and indicated that mobile addiction comes from parents only. The parents met the respected class teachers, Teachers presented detailed reports on students' performance, highlighting strengths and areas for improvement in various subjects. Tea and Snacks were distributed to the parents.

12/08/2024 ELEPHANT DAY ACTIVITY BY UKG:-

On August 12 our UKG Section had an Elephant Day Activity. The UKG students participated in a special Elephant Day celebration aimed at educating them about elephants and fostering creativity. The day included a variety of engaging activities. A brief interactive

session introduced the students to interesting facts about elephants, their habitat, and their role in the ecosystem. Visual aids and short videos were used to capture their attention. The Elephant Day activities were well-received by the UKG students, who showed enthusiasm and interest throughout the day.

12/08/2024 ASSEMBLY:-

The 5th Standard students organized an informative and engaging assembly in honor of **World Organ Donation Day** on 5th August. The event aimed to raise awareness about the importance of organ donation and encourage students and their families to consider becoming donors. The assembly began with a brief introduction to what organ donation is and why it is crucial. Students explained how organ donation can save lives and improve the quality of life for many individuals suffering from organ failure. A short presentation included statistics and facts about organ donation, emphasizing the need for more donors and how the process works. The World Organ Donation Day assembly was a success, effectively educating and motivating the students about the significance of organ donation. The event highlighted the power of community involvement in saving lives and fostered a sense of responsibility and compassion among the young audience.

13/08/2024 ONLINE PRINCIPALS' MEETING:-

A meeting was conducted for all principals within the DFT Group of Institutions to discuss key educational strategies, address common challenges, and align on institutional goals. The meeting began with a welcome address from the chairperson, outlining the agenda and objectives. Principals reviewed recent academic performance reports and discussed strategies to improve student outcomes across institution. The introduction of new educational policies and initiatives was presented. Key areas included curriculum updates, teacher training programs, and student engagement techniques. There was a focus on enhancing technology use in classrooms. Principals shared experiences and best practices for integrating digital tools effectively.

13/08/2024 EYE CAMP CONDUCTED BY EYE FOUNDATION:-

An eye camp organized by the Eye Foundation Mettupalayam was held at Our School to provide free eye examinations and treatment to students and staff. The camp was inaugurated with a brief introduction by the school principal and representatives from the Eye Foundation. The aim and importance of the camp were highlighted. Qualified ophthalmologists conducted comprehensive eye examinations for students and staff. Screening included vision tests, eye health assessments, and consultations. The eye camp was a successful initiative, offering essential eye care services to the school community. It underscored the importance of regular eye examinations and improved access to eye care for students and staff.

14/08/2024 SPORTS DAY AND INDEPENDENCE DAY CELEBRATION:-

The school hosted a combined Sports Day and Independence Day celebration, featuring various athletic events and patriotic activities, with Mr. Shahul Hameed as the chief guest. The event commenced with the arrival of the chief guest, Mr. Shahul Hameed, who was welcomed by the school principal and staff. The day began with the hoisting of the national flag and the playing of the national anthem. A range of sports activities were held, including track and field events, team sports, and individual competitions. Students from different grades participated enthusiastically, showcasing their athletic skills and team spirit. The celebration featured cultural performances, including patriotic songs and dances, highlighting the significance of Independence Day. Students performed with great zeal, reflecting national pride and unity. Mr. Shaul Hameed the chief guest delivered an inspiring speech, emphasizing the importance of sportsmanship, discipline, and national pride. His address motivated students and staff, reinforcing the values associated with Independence Day. The day concluded with the presentation of awards and certificates to the winners of various sports events and outstanding performers. Mr. Shahul Hameed distributed the awards, congratulating the students for their achievements.

15/08/2024 INDEPENDENCE DAY CELEBRATION:-

The school celebrated Independence Day honoring the significance of the day and fostering a sense of national pride among students and staff. The celebration began with the hoisting of the national flag by the principal, followed by the singing of the national anthem, marking the official start of the festivities. Students and faculty delivered speeches highlighting the importance of Independence Day, reflecting on the nation's history and the sacrifices made for freedom.

16/08/2024 AUDIO ASSESSMENT:-

An audio assessment was conducted for students to evaluate their listening and comprehension skills through various auditory exercises. The primary goal of the audio assessment was to gauge students' abilities in listening, understanding, and interpreting spoken information. The assessment included listening to audio recordings, followed by questions or tasks related to the content. This format tested both comprehension and retention of auditory information.

19/08/2024 ASSEMBLY:

Assembly was held to observe World Mosquito Day, focusing on raising awareness about mosquito-borne diseases and preventive measures. The assembly was led by 4th STD students with their class teachers Mrs. M. Jayakavya and Mrs. V. Roobini. The assembly commenced with an introduction to World Mosquito Day, explaining its significance in raising awareness about mosquito-borne diseases such as malaria, dengue, and Zika virus. Students presented informative sessions on the life cycle of mosquitoes, the diseases they transmit, and effective prevention strategies. Visual aids and info graphics were used to enhance understanding.

22/08/2024 TOPPERS AND BLOOMERS DAY:-

A meeting was held to honor academic toppers and discuss strategies for grooming students for excellence and holistic development. The meeting began with a recognition ceremony where academic toppers from various classes were honored for their outstanding achievements. Certificates and awards were presented to acknowledge their hard work and dedication. A discussion was held on the factors contributing to academic success, including effective study habits, time management, and goal setting. Top students shared their experiences and strategies with their peers.

24/08/2024 SCIENCE EXPO:-

Science Expo was held on August 24, 2024, showcasing a variety of student projects from STD 6 to 9 and experiments that highlighted scientific inquiry and innovation. The expo opened with a brief introduction by the principal, who emphasized the importance of fostering a passion for science and creativity among students. Mr. Jayakumar the principal of Christ the king Engineering College was participated in the expo with the college students. Students from grades 6 to 9 presented their projects, which included interactive models, experiments, and demonstrations on topics such as renewable energy, environmental conservation, and robotics. Each exhibit was designed to engage visitors and provide insights into scientific concepts.

27/08/2024 COLLAGE ACTIVITY UKG:-

The collage activity was conducted with UKG students to encourage their imagination and artistic skills. Each child was provided with a variety of materials including colored paper, fabric scraps, stickers, and glue. Students chose materials and created their collages which was given in the text book. Teachers assisted students with cutting and pasting, ensuring the safety and encouraging creativity.

27/08/2024 FRUITS AND VEGETABLES ACTIVITY:-

On 27th LKG students did an activity based on fruits and vegetables. The teacher had fruits and vegetables charts, models and real fruits and vegetables to enhance their sensory experiences, and promote healthy eating habits. The fruits and vegetables activity aimed to familiarize LKG students with different types of fruits and vegetables through interactive and sensory -based learning.

28/08/2024 TOPPERS AND BLOOMERS:-

The meeting commenced with Principal welcoming the toppers . The objective was to meet the success of the toppers and address the concerns. The Principal congratulated the toppers for their exceptional performance and highlighted their achievements. She also enquired about their preparation strategies for the better approach of the final examination.

29/08/24 NATIONAL SPORTS DAY CELEBRATION:

On 29th August 2024, our students from grades 6 to 8 commemorated National Sports Day with a remarkable display in the playground. They creatively arranged themselves into the shape of the Olympic rings, symbolizing the unity and spirit of sportsmanship that the day represents. This impressive formation was a visual testament to the students' dedication and enthusiasm for sports and physical activity. Their efforts beautifully captured the essence of the day, inspiring everyone present.

Canvassing:-

On 24th august we teachers started the canvassing for Vijayadhasami admission. The teachers were segregated into two batches. In each batch we had ten teachers. From 24th of August to 31st of august the teachers went for canvassing according to the area allotted. The teachers got some of the enquiries. Teachers went to the nearby nursery school and met the principal and asked them about their students' details.

31/08/24 SPECIAL ASSEMBLY:

We had a special assembly to distribute the awards and medals for the winners of the literary competition conducted by the Agaram foundation. They gave certificates for the

teachers who were incharge for the competition. Our Administrator, Rev. Fr. Lucas MMI and Principal gave away the certificates to the students.

31/08/24 TEACHERS ORIENTATION PROGEAMME

We had teachers' orientation programme on 31-08-24 for all the teachers. Our Administrator Rev. Fr. Lourdusamy MMI was the resource person. The orientation programme was on the topic **CLASSROOM MANAGEMENT**. The session was interesting and effective. Father presented the PPT which was easy to understand the topic. All the teachers and Principal were presented in the meeting. He said many life oriented examples and explained each topic.

THANK YOU
