MONTHLY REPORT - DECEMBER 2024

02/12/2024 GROSS MOTOR SKILLS ACTIVITY:

The LKG children engaged in a fun and educational gross motor skills activity using straw bizzle connectors. This activity helped the children develop their coordination, balance, and muscle strength as they manipulated the connectors to build various shapes and structures. The hands-on experience promoted teamwork, creativity, and problem-solving skills, all while enhancing their fine and gross motor abilities. Through play, the children were able to improve their dexterity and have fun while learning essential physical skills.

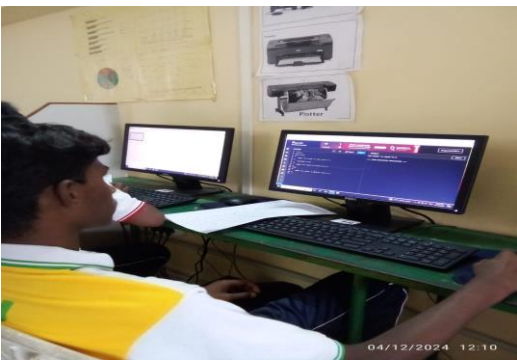

The UKG children participated in a gross motor skills activity where they arranged blocks in different patterns and structures. This activity helped them enhance their physical coordination, strength, and balance as they lifted and placed the blocks. It encouraged teamwork and problem-solving laps they worked together to create various designs. Additionally, the children improved their spatial awareness and fine motor control while engaging in a fun and interactive learning experience.

4/12/2024 MODEL PRACTICALS:

We had successfully conducted the Half-Yearly Model Practical Examinations for Science and Computer subjects for Grades 10, 11, and 12. The practical exams provided students with an opportunity to demonstrate their hands-on skills and knowledge in various scientific and technical experiments. These assessments helped them prepare for upcoming board exams by simulating real exam conditions. The examinations were conducted in a structured and supportive environment, ensuring that students were able to showcase their practical proficiency and gain valuable experience for future academic challenges.

06/12/2024 and 18/12/2024 Toppers and Bloomers Meeting:

We had conducted the Toppers' and Bloomers' meeting for Grades 10 and 12, where we recognized and celebrated the achievements of students who excelled academically. The meeting provided an opportunity to acknowledge the hard work and dedication of the toppers while also offering encouragement and support to the bloomers. It aimed to inspire all students to strive for excellence, fostering a positive and motivating environment. The session included discussions on strategies for improvement, goal-setting, and maintaining a consistent academic performance.

06/12/2024 WONDERS OF THE JUNGLE:-

The children of Grade 1 enthusiastically presented an activity on the theme "Wonders of the Jungle." Dressed as various animals, the young learners showcased the beauty and diversity of jungle life. They shared fascinating facts about their respective animals, including their habitats, characteristics, and importance in the ecosystem. The vibrant costumes and engaging performances brought the jungle to life, creating an enriching and joyful experience for everyone present. The activity not only encouraged creativity but also helped the children learn about wildlife and the need for conservation in a fun and interactive way.

09/12/2024 SAFETY DAY:-

On 09TH of December we conducted the Safety Day, our Principal conducted a thorough inspection of key areas, including vehicles, fire safety measures, classrooms, laboratories, the garden, and restrooms. The inspection aimed to ensure safety standards were met and identify areas for improvement. This proactive initiative emphasized the importance of maintaining a secure and safe environment for everyone on campus.

09/12/2024 SCIENCE FAIR:-

On 9th of December Our students participated in the Science Fair organized by Puthiya Thalaimurai and showcased their innovative projects and ideas. Their outstanding performances earned them medals and certificates, highlighting their creativity and scientific acumen. This achievement reflects their dedication and the encouragement provided by our school to foster talent and innovation.

09/12/2024 HALF-YEARLY EXAMINATION:-

Students from KG to Grade 12 successfully completed their half-yearly exams, held from 9th December to 21st December 2024. The exams were conducted smoothly, marking an important milestone in the academic calendar.

09/12/2024 and 16/12/24 ORIENTATION SESSION:-

The DFT management organized a virtual orientation session for KG teachers and primary teachers on the topic "Stroke Economy" and syllabus framing for 4th std. Mrs. Anila, the resource person, shared valuable insights and techniques to enhance efficiency in teaching handwriting skills. The session focused on simplifying strokes, improving fine motor skills, and fostering creativity in young learners. It was an interactive and informative session, benefiting the teachers in their instructional strategies.

11/12/24 ASSEMBLY:-

On 11th December Assembly on Mahakavi Bharathiyar's Birth Anniversary: The students of Grade 4 presented an engaging assembly on the occasion of Mahakavi Bharathiyar's birthday. They highlighted the life and achievements of the legendary Tamil poet, focusing on his contributions to literature, patriotism, and the Indian freedom struggle. The assembly included a short skit, recitations of Bharathiyar's poems, and a brief speech emphasizing his vision for women's empowerment and social equality. The presentation was both informative and inspiring, fostering pride in the rich cultural heritage of Tamil Nadu.

13/12/2024 CHRISTMAS PROGRAMME:-

On 13th December we celebrated Christmas in a grand manner. Rev. Fr. Antony Jerald, MMI, the Provincial was the chief guest for the program. Rev. Fr. Shiju, Parish Priest of St. Mary Magdalene Church, Karamadai, was the guest of honor, and Mr. T.R. Shanmugasundaram was the special invitee. The event was graced by Rev. Fr. Xavier Manoj, MMI, Administrator of Christ the King Engineering College; Rev. Fr. Lourdu Sammy, MMI, Administrator of Christ the King Matriculation Higher Secondary School; Rev. Fr. Lucas, MMI; and our respected Principal, Mrs. Kalaiselvi. Teachers and students enthusiastically participated in the celebrations, which included a nativity play presented by the children. The program concluded with the arrival of Santa Claus and a joyous cake-cutting ceremony.

ANNUAL DAY CELEBRATION STAFF MEETING:-

The Annual Day celebration is scheduled for January 10, 2025. Rev. Fr. Administrator and our Principal have instructed the teachers to begin preparations, and students are actively engaged in practicing for the programme. The children enthusiastically participating in the annual day practices.

THANKYOU
