REPORT FOR THE MONTH OF OCTOBER

04/10/24 ONLINE SESSION:-

On 4th October, our DFT management organized an online session for the KG coordinators. The session primarily focused on learning outcomes, the importance of early childhood education, handwriting improvement, curriculum structure, and fostering effective interaction between children and teachers. The Academic Coordinator, Mr. Vijimon Iyyapan, emphasized incorporating LSRW (Listening, Speaking, Reading, Writing) skills for KG students and encouraged teachers to aim for high-quality learning outcomes. He also requested coordinators to begin planning activities for the 2025–26 academic year, with a curriculum distribution of 60% assessment-based and 40% activity-based learning. He also insisted us to follow the SWOT analysis for each individual child.

07/10/24 SAFETY DAY:-

On 7th October, our Principal conducted a safety check of the school for Safety Day. She inspected all vehicles, fire safety equipment, classrooms, labs, the garden, and restrooms. This was done to ensure a safe and secure environment for everyone in the school.

07/10/24 STAFF MEETING:-

On 7th October, we had a staff meeting with our Rev. Fr. Administrator and principal to discuss topics such as fee collection, Annual Day, a one-day picnic and tour for higher classes, parents' meeting, online coordinators' meeting, and teacher sessions by grade level. Fr. Administrator instructed teachers to remind parents to pay the fees during the upcoming parents' meeting. He also mentioned the one-day picnic and asked the teachers to discuss possible locations for the picnic and tour. The Principal informed staff that online meetings would be conducted for the coordinators according to each grade level.

08/10/23 REVIEW MEETING WITH 10TH AND 12TH STAFF:-

Our Principal conducted quarterly examination review meeting with the teachers handling 10th and 12th grade subjects. The meeting focused on evaluating student performance, discussing areas for improvement, and planning strategies to enhance learning outcomes for the upcoming term.

TOPPERS AND BLOOMERS MEETING :-

On 9th, 16th and 24th our principal conducted a Toppers' and Bloomers meeting for Grade 10 and 12 students. The session aimed at recognizing the high achievers and offering additional support to those needing improvement. Teachers provided personalized feedback and guidance to help all students perform better in the upcoming exams.

10/10/24 STAFF MEETING FOR THE PRIMARY AND HIGH SCHOOL STAFF:- Coordinators summarized the key discussions from the DFT Academic Coordinator's meeting conducted for primary and high school coordinators. They highlighted important action plans, academic strategies, and any updates related to curriculum and student progress, ensuring all team members were informed and aligned.

10/10/24:AYUDHA POOJA BLESSINGS:-

On the 10th of October, our school celebrated Ayudha Pooja. Rev. Fr. Lourdusamy MMI, the Administrator, and Rev. Fr. Lucas MMI led the prayer and blessed all the vehicles, classrooms, office, registers, and keys.

12/10/24 VIJAYDHASAMI ADMISSION :-

On 12th October, we held Vijayadashami admissions for the kindergarten children. The KG teachers welcomed the children with chocolates and sweets. They conducted the Vidyarambam ceremony, guiding each child to write the Tamil letter 'அ' in the paddy. Rev. Fr. Administrator and our Principal blessed and wished the new children.

14/10/24 PARENTS TEACHERS MEETING :

On 14th October, in the presence of our principal a parent-teacher meeting was held for Grade 10 and 12 students to discuss their performance in the Quarterly Exams. The meeting aimed to update parents on their child's progress, address any concerns, and provide guidance for improvement. Teachers shared detailed feedback on each student's strengths and areas needing attention, emphasizing the importance of consistent preparation for the upcoming board exams. Parents were encouraged to support their children's academic efforts at home. The meeting concluded with an interactive session, allowing parents to ask questions and discuss strategies to help students excel in their studies.

15/10/2024 AUDIO ASSESSMENT:-

On 15th of October our students from Grade 6 to Grade 8 had their Audio assessment programme to enhance the students to increase their listening level. The primary goal of this assessment was to evaluate the students' ability to understand, interpret, and respond to spoken information. This evaluation measured their comprehension skills, attention to detail, and ability to process auditory information effectively.

17/10/24 - COMPETITION:

On account of Dr. Abdul Kalam's birth anniversary, our school conducted a drawing and coloring competition for students from KG to Grade 8. Students were given different topics according to their grade level, and teachers instructed them to draw and color pictures based on their assigned topics. The students participated enthusiastically in the competition.

18/10/24 – FIELD TRIP AND GUIDANCE PROGRAMME:

Our students from Grades 6 to 12 attended a science session at Christ The King Engineering College. During the visit, they toured the lab facilities, observed various machines, and received explanations from the college staff about each machine's functions and applications. This hands-on experience helped students gain practical insights into engineering concepts and enhanced their understanding of scientific principles in real-world contexts.

19/10/24 OPEN DAY:

On 19th October, our school held an Open Day for parents of students from KG to Grade 9, as well as Grade 11, to review their children's marks for the 1st Terminal Examination. This event provided an opportunity for parents to meet with teachers, discuss their child's academic progress, and address any concerns. The session aimed to strengthen communication between parents and teachers, fostering a collaborative approach to support each student's learning and growth.

19/10/24 STAFF MEETING:-

On 19th October, we held a staff meeting with our Rev. Fr. Administrator and Principal to discuss feedback from parents received on Open Day. Rev. Fr. Administrator assigned in-charge teachers for the 2nd term and reviewed the status of fee collection for each class. He emphasized the importance of maintaining classroom cleanliness and instructed teachers to remind students accordingly. Additionally, plans for the upcoming Annual Day program were discussed.

24/10/24 LISTENING ASSESSMENT PROGRAM FOR GRADES 1 TO 8:-

On 24th October, a listening assessment program was conducted for students from Grades 1 to 8, designed to enhance listening skills and encourage better auditory comprehension. Listening is a fundamental skill, and this assessment aimed to provide students with the opportunity to practice and improve their listening abilities, which are critical for academic success and effective communication. During the assessment, students were presented with various audio recordings, ranging from simple instructions to short stories and informational content, adjusted according to grade levels. Each recording required them to listen

attentively and then answer questions or complete tasks based on what they heard.

24/10/24 KUMITE IN ECA:

On 24th October, our students participated in a kumite session as part of their extracurricular activities. Kumite, a form of sparring in martial arts, helped students practice discipline, focus, and self-control while learning essential self-defense techniques. Under the guidance of trained instructors, students demonstrated their skills, showing both respect and enthusiasm for the sport. This activity not only enhanced their physical abilities but also fostered confidence and teamwork.

24/10/24: KARATE COMPETITION:-

Our karate students proudly represented the school at both state-level and all-India level karate competitions. They showcased remarkable skill and dedication, bringing home medals, certificates, and trophies. Their achievements are a testament to their hard work and the excellent training they received, making the school proud and inspiring their peers.

24/10/24 SESSION ON FOOD AND NUTRITION:-

On 24th October, Mr. Madhan, a Physical Education Trainee from Ramakrishna Vidyalayam, conducted a seminar on "Food and Nutrition" for students of Grades VI to IX. The session provided valuable insights into the importance of balanced diets, essential nutrients, and healthy eating habits, helping students understand how nutrition impacts their overall health and physical performance.

25/10/24 ONLINE MEETING:-

Our Grade 10 to Grade 12 teachers attended an online meeting organized by our DFT management to analyze student results. The session focused on reviewing academic performance, identifying areas for improvement, and discussing strategies to support student progress in the upcoming terms. This meeting provided valuable insights to help teachers tailor their approach for better outcomes.

28/10/2024 DIWALI AWARENESS PROGRAMME

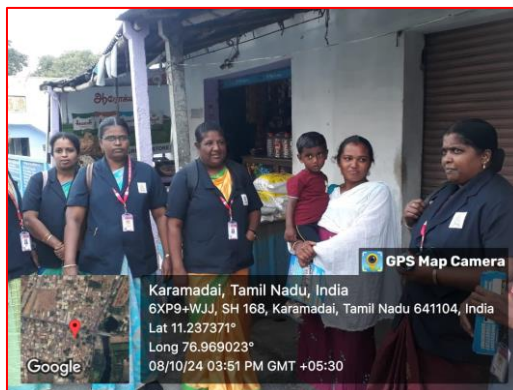

On 28th October, the grade 9 students, guided by Mrs. B. Felisa, presented an assembly on Diwali awareness. They prepared charts, models, and placards to promote safe practices for celebrating Diwali and bursting crackers responsibly.

CANVASSING:-

From 01/10/24 our teachers divided in to three groups and embarked on a canvassing effort to promote admissions and engage with prospective students and parents. The Vijayadasamy canvassing continued from 01/10/24 to 08/10/24. They emphasized the school's commitment to academic excellence, student well-being and holistic

development. Our teachers made enquiries and confirmed some admissions by giving the applications. They visited various areas in and around the school.

ACTIVITIES

10/10/24 HEALTHY FOOD ACTIVITY BY GRADE - 4:-

Our grade 4 students participated in an activity on healthy food with the guidance of their science teacher, Mrs. D. Gracy Rose Mary. The children eagerly took part, bringing various fruits and vegetables to prepare salads. The salads were then tasted by our Rev. Fr. Administrator and our respected Principal, who also encouraged the students.

10/10/24 EXPANSION OF GASES ACTIVITY BY GRADE - 7:-

Our Grade 7 students participated in an activity on the expansion of gases, guided by their science teacher, Mrs. P.S. Saranya. The students were encouraged to take part in the activity with curiosity. They brought candles and balloons as materials for the experiment. Finally, the teacher explained the concept with examples and helped them understand it better.

14/10/24 COMMUNITY HELPERS ACTIVITY:

Our UKG students participated in an activity on the theme "Our Helpers." The children dressed up as various community helpers, such as doctors, firefighters, teachers, and police officers, and enacted their roles with enthusiasm. This activity helped them understand the importance of these professions and the role they play in our daily lives.

15/10/24 GLOBAL HANDWASHING DAY ACTIVITY:

Our LKG, UKG, and Grade 2 students participated in an activity for Global Handwashing Day. Teachers guided the children through the seven steps of proper handwashing, demonstrating each step to ensure they understood the correct technique. This activity emphasized the importance of good hygiene and helped students learn effective handwashing habits through hands-on practice.

16/10/24 - SAUCER CONE ACTIVITY - GRADE 9:-

Our Grade 9 students participated in an engaging activity using saucer cones. The activity was designed to improve their coordination, focus, and teamwork skills. Under the guidance of their teacher, students arranged and used the cones in various exercises, such as obstacle courses and relay games, which required them to work together and follow instructions carefully. This hands-on activity not only enhanced their physical agility but also fostered a collaborative spirit among the students.

16/10/24 - WORLD FOOD DAY ACTIVITY - GRADE 5:-

Our Grade 5 students participated in an activity based on the theme of World Food Day. The children brought various types of healthy foods, such as fresh fruits and vegetables, to enjoy in the afternoon. They also created charts to illustrate healthy food habits and emphasized the theme, "Right to Food for a Better Life and a Better Future." This activity helped raise awareness about the importance of nutritious food and food security.

17/10/24 - CHEMICAL EFFECT OF CURRENT SCIENCE ACTIVITY - GRADE 9:-

Our Grade 9 students participated in an activity exploring the chemical effects of electric current. During the session, they conducted simple experiments to observe how electric current can cause chemical reactions, such as the decomposition of water and changes in metal objects when electricity is passed through a solution. This hands-on activity helped students understand concepts like electrolysis and the practical applications of electric currents in everyday life.

18/10/24 STICKING THE BALLS ACTIVITY:

Our LKG students participated in a Fine Motor Skills activity called "Sticking the Balls." The children enthusiastically took part, sticking colorful balls onto a board with guidance from their teacher. This activity helped develop their hand-eye coordination, fine motor skills, and creativity in a fun and engaging way.

25/10/24 KG ONE DAY PICNIC:

On the 25th, our management arranged a one-day trip for the KG children. Rev. Fr. Administrator, along with the KG teachers, P.E.T. trainers, and nannies, accompanied the children to Bhavani Sagar Dam. The children enjoyed playing, eating snacks, and engaging in various activities throughout the day.

28/10/24 ORIENTATION PROGRAMME:

On 28th October, students from Grade 9 to 12 participated in an orientation programme led by Rev. Fr. Administrator, which was focused on enhancing student discipline and promoting academic improvements. Principal and the class teachers of grade 9 to 12 participated in the programme. Father explained about life and how to lead a disciplined life. He gave many examples related to hard work and perseverance. The session was motivational and students learnt a lot from this programme.

29/10/24 SCIENCE EXPO IN UIT COLLEGE:

On 29th October, students from Grades 6, 7, and 8 participated in a science expo titled Veetuku Oru Vingnani at the United Institute of Technology. Our students prepared various science models that showcased their creativity and understanding of scientific concepts. They presented these models effectively, demonstrating innovation and

enthusiasm in sharing their knowledge. The event provided them with a valuable platform to explore scientific ideas and engage with peers from other schools.

29/10/24 -EDUCATIONAL TRIP FOR PRIMARY STUDENTS:

On 29th October, an educational trip was organized by our management for students from Grades 1 to 5 to the Gass Forest Museum at Forest College and the Regional Science Centre in CODISSIA. Rev. Fr. Administrator, along with primary teachers, PET trainers, and nannies, accompanied the students. At the museum, they learned about animal cells, elephant skulls, and various butterfly species. The students also visited the planetarium and enjoyed engaging 3D shows, making it a day filled with excitement, learning, and joy.

29/10/24 KG DIWALI CELEBRATION:

On 29th October our KG students celebrated Diwali in a simple manner. The children of LKG and UKG did colouring and they sang Diwali song and danced for a Diwali song. the principal came and visited the class and wished the students.

THANKYOU
