## MONTHLY REPORT-JANUARY 2025

### 07/01/25 Safety Day :-

On 7th January, our Principal conducted a safety check of the school for Safety Day. She inspected all vehicles, fire safety equipment, classrooms, labs, the garden, and restrooms. This was done to ensure a safe and secure environment for everyone in the school.

### Toppers and Bloomers meeting :-

On 8th, 22nd and 29th our principal conducted a Toppers' and Bloomers meeting for Grade 10 and 12 students. The session aimed at recognizing the high achievers and offering additional support to those needing improvement. Teachers provided personalized feedback and guidance to help all students perform better in the upcoming exams.

### **10/01/2025 ANNUAL DAY:**

We celebrated our school 14th annual day in a grand manner. It was commenced in our school play ground. Our Rev.Fr. Joseph William pathiraj, MMI superior general of MMI was the chief guest, Our special invitee Mr. Gnanashekar president of chikarampalayam panachayat and the special invitee was our Rev.Fr. Xavier Manoj ,the Administrator of christ the king Engineering .They were accompanied by Rev. Fr. LourduSamy MMI the administrator of Christ the King Matriculation Higher Secondary School,along with our Principal,Rev. Fr.Vijaya Kumar,MMI, Rev. Fr. Shiju,karamadai parish priest, Rev. Fr. Henry Lawrence, Mettupalayam parish priest and the DMI sisters also joined the celebration. We began the program with a prayer Song. Rev. Fr. LourduSammy MMI presented the welcome speech. Respected principal continued with annual report presentation along with the students with a powerpoint presentation.The Prizes were distributed by Rev. Fr. William, MMI the superior general and Mr.Gnanasekar. Our students presented the cultural program based on a theme Ancient vs. Modern. The teachers were also honored with a memento. We distributed the snacks to parents and the students. We ended the program with the vote of thanks.

## 13/01/25 Pongal Celebration:-

On 13th January, we celebrated Pongal in our school. The teachers prepared Pongal and distributed it to the children. Rev. Fr. Administrator blessed the Pongal, and it was shared with everyone. Our Principal extended her wishes and delivered a Pongal message to all. Students and teachers were asked to come in traditional attire. The students enjoyed dancing, and Rangoli competitions were held for Grades 6 to 12. Prizes were also distributed to the winners.

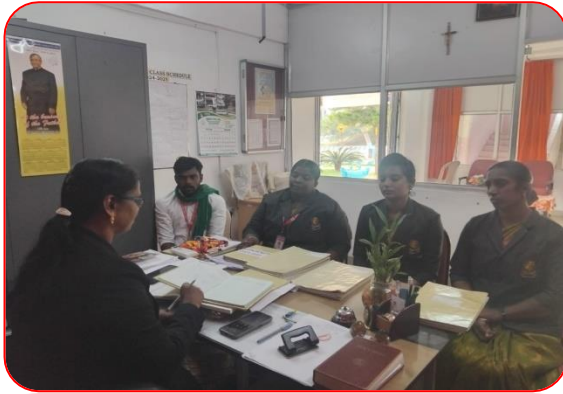

## 13/01/25 Pongal Activity:-

Our Kindergarten children participated in a Pongal-themed activity. They were taught to sing a traditional Pongal song. The KG teachers explained the importance of Pongal and helped the children learn about sugarcane, rangoli, and other related traditions.

### **21/01/25 Co-ordinators Meeting:-**

The Principal organized a coordinators' meeting to discuss and assign responsibilities for Term III. The key focus of the meeting was to ensure effective planning and coordination for the term. During the meeting, the Principal emphasized the importance of checking classwork notes, diaries, and Edu-mentor updates regularly to maintain academic standards and monitor student progress effectively. The coordinators were instructed to ensure that these tasks are carried out systematically across all grades.

### **21/01/25 Revision Exams:**

Our Grade 10 and Grade 11 students appeared for their first and second revision exams, respectively. These exams aimed to help students assess their understanding and prepare effectively for their final examinations.

### **22/01/25 10th Portions started for grade 9 students:**

On the 22nd, our Grade 9 students began learning their 10th-grade portions. Before starting, the students and teachers gathered in the prayer hall. Rev. Fr. Administrator led a prayer and blessed the students. Our Principal also conveyed her wishes and blessings to the students before the commencement of the lessons.

### **22/01/25 Science Activity:-**

On 22nd, the Grade 8 students conducted a science activity based on the topic of magnetism. The teacher began by explaining the importance and characteristics of magnets, including concepts such as magnetic poles, attraction, and repulsion. Various examples were demonstrated to help students understand the practical applications of magnetism, such as how magnets are used in everyday items like compasses, motors, and electronic devices. The students actively participated in the activity by experimenting with magnets to observe their properties, such as attracting iron objects and identifying magnetic fields. This hands-on activity enhanced their understanding of the topic and made learning engaging.

## 23/01/25 National Handwriting Day:-

On 24th, our school observed National Handwriting Day. Students actively participated by showcasing their handwriting skills through various writing activities.

### 24/01/25 Science Activity:-

On 24th, Grade 9 students conducted a science activity on the melting of ice cubes and heat transfer through convection. They observed how heat causes ice to melt and explored convection currents by heating water, learning how heat moves in liquids. The activity enhanced their understanding of thermal energy and its effects.

### 25/01/25 Republic Day activity:-

Our LKG and UKG students presented a Republic Day activity with enthusiasm. The children dressed as freedom fighters like Mahatma Gandhi, Sarojini Naidu, Mahakavi Bharathiyar, and Jawaharlal Nehru. The teachers guided them to stand in the shape of India, making the activity both educational and memorable.

## 25/01/25 Parents' Meeting:-

We conducted a Parent-Teacher Meeting to discuss the Half-Yearly Examination results. Parents were invited to review their child's academic progress and receive valuable feedback from teachers regarding strengths and areas for improvement. Teachers provided guidance on how students can enhance their performance in the upcoming exams.

## 26/01/25 Republic Day Celebration:-

On 26th January, we celebrated the 76th Republic Day in a simple manner as it fell on a Sunday. The celebration began with Tamil Thai Vazhthu, followed by the flag song and flag hoisting. Our Principal delivered a brief speech on the significance of the day, and the event concluded with the National Anthem.

## 27/01/25 MEANS OF TRANSPORT:

The LKG students presented an activity on the topic "Means of Transport." Teachers explained the three types of transport: air, land, and water. The children brought different toy vehicles to showcase each category and also prepared charts to represent them. Additionally, the teacher used models to make the learning experience more interactive and engaging.

## 27/01/25 CAMPUS CLEANING ACTIVITY:

The UKG students participated in a "Campus Cleaning Activity." Teachers explained the importance of cleanliness and demonstrated proper cleaning practices. The children actively took part by picking up chocolate wrappers and other waste, helping to clean their classroom and school campus. This activity encouraged them to maintain a clean and hygienic environment.

## **27/01/25 ONLINE ASSESSMENT FOR TEACHERS:**

Our DFT management organized an online assessment for teachers to evaluate their skills and knowledge, ensuring continuous professional development. The assessment aimed to enhance teaching methodologies, subject expertise, and classroom management strategies. It also helped identify areas for improvement and provided valuable insights for further training and growth.

## **28/01/25 2D and 3D Shapes Activity:**

The Grade 4 students conducted an activity on 2D and 3D shapes. With guidance from their teacher, they created models to understand the differences between two-dimensional and three-dimensional shapes, making the learning process interactive and engaging.

**28/01/25 Science Activity :**

Our Grade 7 students presented an activity in their science class. With the help of their science teacher, they conducted an experiment on the topic "Light Travels in a Straight Line." The teacher briefly explained the steps before guiding the students through the activity.

### **31/01/25 Tamil Activity: "Vilangugalin Oli Marabugal":**

The students of Grade 3 enthusiastically participated in a Tamil activity based on the topic "Vilangugalin Oli Marabugal" (Sounds of Animals). Under the guidance of their teacher, the children creatively engaged in the activity by wearing animal masks and mimicking the sounds of different animals. Through this interactive session, students learned about the unique sounds animals make and their significance in communication. The activity made learning enjoyable and helped students improve their understanding of the Tamil vocabulary related to animal sounds. It also encouraged participation, creativity, and confidence in expressing themselves.
